

BEST LAWYERS 2019 NAMES FIVE ATTORNEYS FROM PINTÓ  
RUIZ & DEL VALLE

In the eleventh edition of its annual legal directory, *Best Lawyers*, the prestigious publication has recognized several of Pintó Ruiz & Del Valle's attorneys in its list of best lawyers in Spain.

Dr. José Juan Pintó Ruiz, who has been named in *Best Lawyers* for ten consecutive years, has been selected as Attorney of the Year in Trusts and Estates, in addition to being recognized for his work in Litigation. The directory also highlights José Juan Pintó Sala in Sports Law and Carlos Noguera in Insolvency and Reorganization Law. Furthermore, for the first time, this edition also recognizes Yago Vázquez in Litigation and Lucas Ferrer in Sports Law. The acknowledgement of five of our attorneys in the aforementioned publication only reinforces the prestige Pintó Ruiz & Del Valle enjoys.

Every year, *Best Lawyers* selects the top attorneys in each country following an exhaustive selection process that includes confidential recommendations from other professionals and attorneys. The awarding of the "Attorney of the Year" title is reserved for those who receive the greatest number of votes in a specific area of practice and specific geographic location.

The inclusion of our attorneys in this publication serves to reaffirm our philosophy here at Pintó Ruiz & Del Valle, which is based on quality, hard work, superior work product, attention and support tailored to the client, and respect for our profession in the search for excellence.
