

BEST LAWYERS 2020 NAMES TWELVE ATTORNEYS FROM
PINTÓ RUIZ & DEL VALLE IN SEVENTEEN PRACTICE AREAS

Twelve attorneys from Pintó Ruiz & Del Valle appear as prominent attorneys in the twelfth edition of the annual *Best Lawyers* legal directory. The prestigious publication recognizes their work in seventeen areas of practice.

Our president, José Juan Pintó Sala, has been selected as Attorney of the Year in Sports Law. As in previous editions, the directory also highlights José Juan Pintó Ruiz in Litigation and Inheritance Law, Carlos Noguera in Insolvency and Reorganization Law, Yago Vázquez in Litigation, and Lucas Ferrer in Sports Law. This edition also recognizes for the first time Claudia Burés-Vall de Vilaramó Desii in Labour Law; Jordi López in Corporate Area, Mergers and Acquisitions and Sports Law; David Peña in Restructuring and Insolvency; Javier del Valle Sánchez, Eva Ochoa and Isabel Aparicio, in Industrial Property; and Miguel Galmés in Litigation. The acknowledgement of twelve of our attorneys in the aforementioned publication only reinforces the prestige Pintó Ruiz & Del Valle enjoys.

Every year, Best Lawyers selects the top attorneys in each country following an exhaustive selection process that includes confidential recommendations from other professionals and attorneys. The awarding of the “Attorney of the Year” title is reserved for those who receive the greatest number of votes in a specific area of practice and specific geographic location.

The inclusion of our attorneys in this publication serves to reaffirm our philosophy here at Pintó Ruiz & Del Valle, which is based on quality, hard work, superior work product, attention and support tailored to the client, and respect for our profession in the search for excellence.
