

PINTÓ RUIZ & DEL VALLE TAKES PART IN THE PLG INTERNATIONAL LAWYERS  
SUMMER ACADEMY

Our President José Juan Pintó Sala and our partner Yago Vázquez are going to teach a seminar about arbitration at the PLG International Lawyers Summer Academy (<https://plg.eu.com/>). This second edition of the event is going to take place during September 9th to 13th in Lisbon and it is as well intended for the young lawyers from firms which are members of PLG International Lawyers.

Summer Academy's aim is for young lawyers to strengthen their professional skills and thus contribute to their training and professional success and that of their respective firms. In that sense, young lawyers from different firms and countries sharing a week in Lisbon encourages them to know each other and improves their integration in PLG International Lawyers.

Pintó Ruiz & Del Valle is one of the founding firms of PLG International Lawyers. Founded 30 years ago, it is nowadays formed by 28 firms in over 30 countries from all over the world. Our compromise with the next generation of lawyers is shown by the young lawyer network, YPLG, and the many exchanges between young lawyers in this network that takes place each year. And, of course, the PLG International Lawyers Summer Academy.
