

BEST LAWYERS SPAIN 2021 NAMES PINTÓ RUIZ & DEL VALLE FIRM OF THE YEAR AND ELEVEN OF ITS LAWYERS IN SIX PRACTICE AREAS

Our firm has been named as one of the sixteen «Law Firms of the Year Spain» for the first time by the renowned legal directory *Best Lawyers*. Additionally, eleven of our attorneys appear as “Best Lawyers”, as have been happening in previous years. Thus, their performance in six different areas of practice is acknowledged.

As in previous editions, the publication highlights José Juan Pintó Sala in Sports Law and Litigation, Jordi López in Corporate Area, Mergers & Acquisitions, and Sports Law, Lucas Ferrer in Sports Law, Yago Vázquez and Miguel Galmés in Litigation, Carlos Noguera and David Peña in Insolvency and Reorganization Law, Claudia Burés-Vall de Vilaramó in Labour Law, and Javier del Valle Sánchez, Eva Ochoa and Isabel Aparicio in Industrial Property.

Every year, *Best Lawyers* selects the top attorneys in each country following an exhaustive selection process that includes confidential recommendations from other professionals and attorneys.

This inclusion reaffirms our philosophy here at Pintó Ruiz & Del Valle, which is based on quality, hard work, superior work product, attention and support tailored to the client, and respect for our profession in the search for excellence.
