Chambers Europe 2022 has placed our firm among the elite of Spanish law firms for the twelfth consecutive year, thus consolidating our position in the market and recognizing our firm as one of the best in the areas of sports law, IP and bankruptcy. It also highlights five of our partners: José Juan Pintó, Jordi López and Lucas Ferrer in sports law, Eva María Ochoa in IP, and Carlos Noguera in bankruptcy.

We want to thank Chambers & Partners, as well as our clients and colleagues, for the recognition.
