PINTÓ RUIZ & DEL VALLE PARTICIPATES IN THE PLG INTERNATIONAL LAWYERS SUMMER ACADEMY

Our President, José Juan Pintó Sala, and our colleague Alejandro Naranjo, have participated in the PLG International Lawyers Summer Academy (<https://plg.eu.com/>), teaching a class on arbitration on sports matters before the Court of Arbitration for Sport. This new and enriching edition took place from September 11th to 15th in the incomparable setting of the city of Lisbon and was aimed at young lawyers from the member firms of PLG International Lawyers, allowing them to strengthen their professional skills and obtain knowledge of first-hand from leaders in the legal sector.

The objective of the PLG International Lawyers' Summer Academy goes beyond the simple acquisition of knowledge, bringing together lawyers from different firms and countries for a week in Lisbon, this initiative promotes the construction of solid relationships and mutual knowledge between young lawyers. This integration contributes to the strengthening of the global legal community of PLG International Lawyers.

Pintó Ruiz & Del Valle is one of the founding firms of PLG International Lawyers, an association created more than 30 years ago, and which has a network of 32 member firms represented in more than 50 cities spread across 32 countries and 5 continents. Our firm continues to lead its way in the international legal sphere, demonstrating our commitment to the next generation of lawyers through initiatives such as the Young PLG Lawyers network, global exchange programs and, of course, our participation in the prestigious PLG International Lawyers Summer Academy.
