

CHAMBERS EUROPE 2024 CHOOSES PINTÓ RUIZ & DEL VALLE

For the fourteenth consecutive year, Chambers Europe 2024 has recognized our firm as one of the leading law firms in Spain. This recognition reinforces our position in the legal market and highlights our leadership in the sports law field.

We are particularly proud of the recognition of our President, José Juan Pintó Sala, for his outstanding experience and skills in the sports law field. This achievement would not be possible without the hard work and dedication of our entire team, as well as the continuous and valuable support of our clients and colleagues.

We deeply appreciate Chambers & Partners, as well as all those who have supported us on this journey. This recognition inspires us to remain committed to excellence and to continue providing the best possible service to our clients. Thank you all for being part of this success.
